BRIEF LIST OF REFERENCE NUMBERS USED IN THE DRAWINGS

10	gear shaft assembly
11	hurricane shutter panel
12	lower channel assembly
13	upper channel assembly
14	lower housing channel
15	drive shaft
16	lower housing bottom wall
17	lower housing front wall
18	lower housing rear wall
19	first aperture in shaft support
20	shaft support
21	second aperture, in lower housing
22	third aperture, in lower housing
23a	first gear
23b	second gear
24	external bearing housing
25	central portion of external bearing housing
26	front arm of external bearing housing
27	rear arm of external bearing housing
28	fourth aperture in external bearing housing
29	journal bearing
30	threaded rod
31	screw boss
32	nut portion
33	fifth aperture

- 34 lock nut
- 35 internal bearing housing
- 36 lower channel rivet holes
- internal bearing housing rivet holes
- 38 rivet
- 39 sixth aperture
- 40 T-nut
- 41 carrier arm
- 42 slot
- 43 arm aperture
- 44 T-nut aperture
- 45 arm rivet hole
- 46 support disk
- 47 first set screw
- 48 first lower housing wall hole
- 49 disk hole
- 50 first nut
- 51 orifice
- 52 upper channel
- 53 upper channel top wall
- 54 upper channel front wall
- 55 upper channel rear wall
- 56 upper channel set screw
- 57 upper channel wall hole
- 58 roller
- 59 second nut
- 60 roller aperture
- false shutter

- 62 rebate
- 63 lower housing
- tandem lower housing
- 65 housing pins
- 66 slip clutch
- tandem gear shaft assembly
- 31 sliding attachment system
- 72 sliding bar
- 73 window sill bar
- sliding attachment rollers
- 76 channel
- stainless steel rivets
